

Thank you for your interest in Spravato!

**INFORMATION NEEDED
FOR SPRAVATO CONSIDERATION**

Forms to return to us prior to your consultation

1. Copy of front and back of Insurance Cards (primary and secondary, prescription)
2. Copy Driver License or picture ID.
3. Copy of the most current Psychiatric Evaluation from your Psychiatrist or Prescriber. Or sign a release of information form so we can request it. (attached)
4. Your psychiatric diagnosis and when this episode of depression started. We also need a history of your Psychiatric medications, including the dose, length of time you have taken/or took each medication. If you have stopped a medication, why?
5. The signed signature page allowing us to utilize Janssen to check your benefits (attached)
6. PHQ9 rating scale (attached)

(If needed you can use the Turboscan app to easily take scans of cards and documents with the camera on your smartphone to email us at SPRAVATO@lakescenter.com)

Next, we will evaluate the appropriateness of SPRAVATO for you and if suitable we will attempt to get PRIOR APPROVAL for the medication. The monitoring portion will be covered by your regular insurance.

If you plan to pay cash, then separate arrangements will be made through Dr. Lyons at drlyons@lakescenter.com

ONCE APPROVED we will schedule a PSYCHIATRY PRETREATMENT CONSULT and also a CONSULTATION /REVIEW appt with our nurse. We will register you and review out of pocket costs and then the initial Spravato treatment will be scheduled.

There is an Adult Intake Packet (attached) you will need to bring to or fill out at your consultation appointment.

Contact me with questions. I look forward to helping you in your depression recovery.

Sincerely,

Stephanie Bednar, RN
